# THE DIAMOND CIPHER A BASEBALL ROMANCE

By W. A. PHELON.

(Copyright, MIL by W. G. CHAPMAN.) (Copyright in Canada and Great Britain.)

[STROPELS OF PRECEDING CHAPTERS.]

The secrets of the Cailled States are being superiously stokes for other countries, and story seare of any importance in heing som and the sealest designated to be the sealest of the sealest designated to foreign interests. Reserval liberate ciphers had been arranged by experts, but prote of foreign countries always managed to find at their contents.

helf contacts, a clerk in Chief Wilkins' office, minused by the chief on a trivial entitet, and it is about to leave the office served period. If you have the office served period of it looking them over field that they conscious,

which is distinguished. See Friends that they one in adjacent to the process of t

The missing property safe in the hands of its rightful custodians—through sheer good fortune, not through skill or Shericell Holmes sugactly—and only a limited space of time remaining for the journey just the Filip Grande, it was only naturally that the young measurages should wish to kurry on their road. They did most intercounte either the wounded negror of the certific property in the first paper, these through that the young measurages should the property of the cardia of the property of material for discussion where the cardia of the cardia o

New York is known as the Empire thate because of the vest number of mountain sides, toe bouses, and brick barry kings, railroad kings, sized kings, and miscellamous potentiates which it harbors. It is a medium intel, quantity designed State, containing and Andrew Carles, and the state of the contraining the contains that the contraining and and the contraining area 1,500,000 of whom are as the state of the contraining the state of the contraining the state of the contraining and the contraining over 1,500,000 of whom are as the contraining the state of the contraining the state of the contraining the state of the contraining the c

battle ships, clething, and newspaper by the strip ships of the city of New York inself is combined to be only a sort of back for the city of New York in this in the strip ships of the sh

Mefore beginning the night watches the youngsteen traversed the whole train, passing through the sheepers on their way to the dinni-car, and satisfied plenneshow that nome of their enemies had started on the same journes. No German notionable of the same journes, No German notionable of the same journes, No German notionable of the same journes, and as none of the berink were made up early, there was no possibility of a conceasing antagonist cruothing behind the green curtains. After support they returned to their red-planshed perches, and spent three hours discussing the happenings at Chicaga, or the adventures yet to come.
Solaton fished from some inner pocket a tiny Anglo-Spanish text-book, and urgal to the Anglo-Spanish text-book, and urgal to importance upon his companion. "You may need to know a few uquide of the Angluage before very long," he insisted, "and now is as good a time to begin learning as any." "Why not let me carry the book?" responded Brockett. "Then, it a Mezican starts any conversation, I can simply dig up the book and read lim the proper answer." "Ood idea," assented Solano, "except."

how, and measurements and Ramon Sounce, where "
"Not exactly," parried Brockett, "My name is Thomas Jackson and my friend a name is Henry Hawkins."
"I don't hellev's you, young feller," diasented the sheriff, sterily, "There's ne-body else on this train snawers the description I've got here, and, further-more—" with one quick clutch he twined like fliggers in Brockett's collar, unbittoned it, and Jerked it from the shirt-"furthermore, boy, the laundry initial in this here collar is H. B. Reckon you'n this here collar is H. B. Reckon you'n
